

Da Vinci Handheld Camera

Begin building an efficient operating room by simplifying setup. Perform da Vinci cases from start to finish without relying on a separate laparoscopy tower. Accomplish optical first entry through an 8 mm port.

Compatible with all third-party 2D laparoscopes with a standard eyepiece (ISO 18339:2015)

Product Information

Individuals' outcomes may depend on a number of factors, including but not limited to patient characteristics, disease characteristics, and/or surgeon experience.

Da Vinci Surgical Systems

The Intuitive Surgical Endoscopic Instrument Control Systems (da Vinci X and da Vinci Xi Surgical Systems) are intended to assist in the accurate control of Intuitive Surgical Endoscopic Instruments during urologic surgical procedures, general laparoscopic surgical procedures, gynecologic laparoscopic surgical procedures, general thoracoscopic surgical procedures, and trans-oral otolaryngology surgical procedures restricted to benign tumors and malignant tumors classified as T1 and T2, and for benign base of tongue resection procedures. The systems are indicated for adult and pediatric use (except for trans-oral otolaryngology surgical procedures). They are intended to be used by trained physicians in an operating room environment.

The da Vinci X and da Vinci Xi Surgical Systems are class IIb medical devices CE marked (CE 2460) under the European Medical Devices Directive (93/42/EEC), manufactured by Intuitive Surgical, Inc. Refer to Instructions For Use before use.

Da Vinci Handheld Camera

The da Vinci Handheld Camera is intended for endoscopic viewing of internal surgery sites during minimally invasive surgery. It is designed for use with compatible da Vinci Surgical Systems. It is indicated for adult and pediatric use. It is intended to be used by trained physicians in an operating room environment.

The da Vinci Handheld Camera is a class I medical device CE marked under the European Medical Devices Regulation (EU) 2017/745, manufactured by Intuitive Surgical, Inc. Refer to Instructions For Use before use.
